

Burro Wash East

OHV / JEEPING

White rock where you expect red.

CAPITOL REEF COUNTRY TRAIL GUIDE

5 miles

DISTANCE

475 ft

ELEVATION GAIN

**Moderate to
Strenuous**

DIFFICULTY

2-2.5 hrs

EST. TIME

LOCATION

Staging area is 1.2 miles off Notom Road, between Highway 24 and Burr Trail Road.

TRAIL TYPE

OHV route with technical sections.

TRAIL DESCRIPTION

The route passes distinctive white rock formations that stand out from the region's typical red-rock scenery, along with old mining areas and a technical section called Bloody Hands Gap.

DIFFICULTY NOTES

The moderate-to-strenuous rating reflects the 475 ft elevation gain over 5 miles and technical terrain like Bloody Hands Gap.

KNOW BEFORE YOU GO

No Dogs, Fees required. Nearest services: Notom area / Highway 24 corridor. Pack out everything you pack in. Flash floods can hit canyons fast from distant storms — check the forecast first.

EQUIPMENT

Off-highway vehicle; physical map recommended.

COORDINATES

38.17667, -111.07778 (Staging area)

Coordinates are a navigation aid — conditions change, so always verify current road and trail status before you go.

SAFETY

Check forecasts for flash floods, carry a physical map, and notify someone of your planned route and return time.

TRAIL TIP

Stick to the marked routes — the advanced sections aren't just a suggestion.
